

Copy No. 5

3 August 1951

MEMORANDUM FOR: EXECUTIVE SECRETARY,
NATIONAL SECURITY COUNCIL

SUBJECT: Draft NSC Directive on Estimate of
Enemy Capabilities for Attack on
the United States

On General Smith's instructions I am transmitting herewith two alternative draft directives on the proposed estimate of enemy capabilities for attack on the United States. Both have been carefully reviewed by General Smith and have his full approval. He feels that you will want to select that one which, from your point of view, seems the more appropriate.

Acting Assistant Director
Intelligence Coordination
